Traditional POS versus RoyalPOS

- Most of the POS system are desktop based & requires full working computer system
 - Multiple Software Licences Required
 - Requires Hardware professional for system maintenance
 - Billing stops if power supply stops
 - Takes up large Space
 - Upgrade in software might result in dependent updates
- ✓ Cloud based - Download from App Store or Play Store and start using instantly!
 - ✓ Super Easy to operate and use
 - ✓ Works on Any Android or iOS* device
 - ✓ Billing never stops if Power Supply is off or internet is unavailable
 - ✓ No extra dependent software or OS licences required
 - ✓ Requires Space as small as mobile phone
 - ✓ All Queries can be handled from remote

Multiple Locations / Outlets Architecture

- ✓ Centralized Control for all your locations from Admin Panel
- ✓ Each Location has its own login in Mobile App
- ✓ Role wise Access – Super Admin, Location Admin, Sub Admin, Cashier, Stock Manager etc.

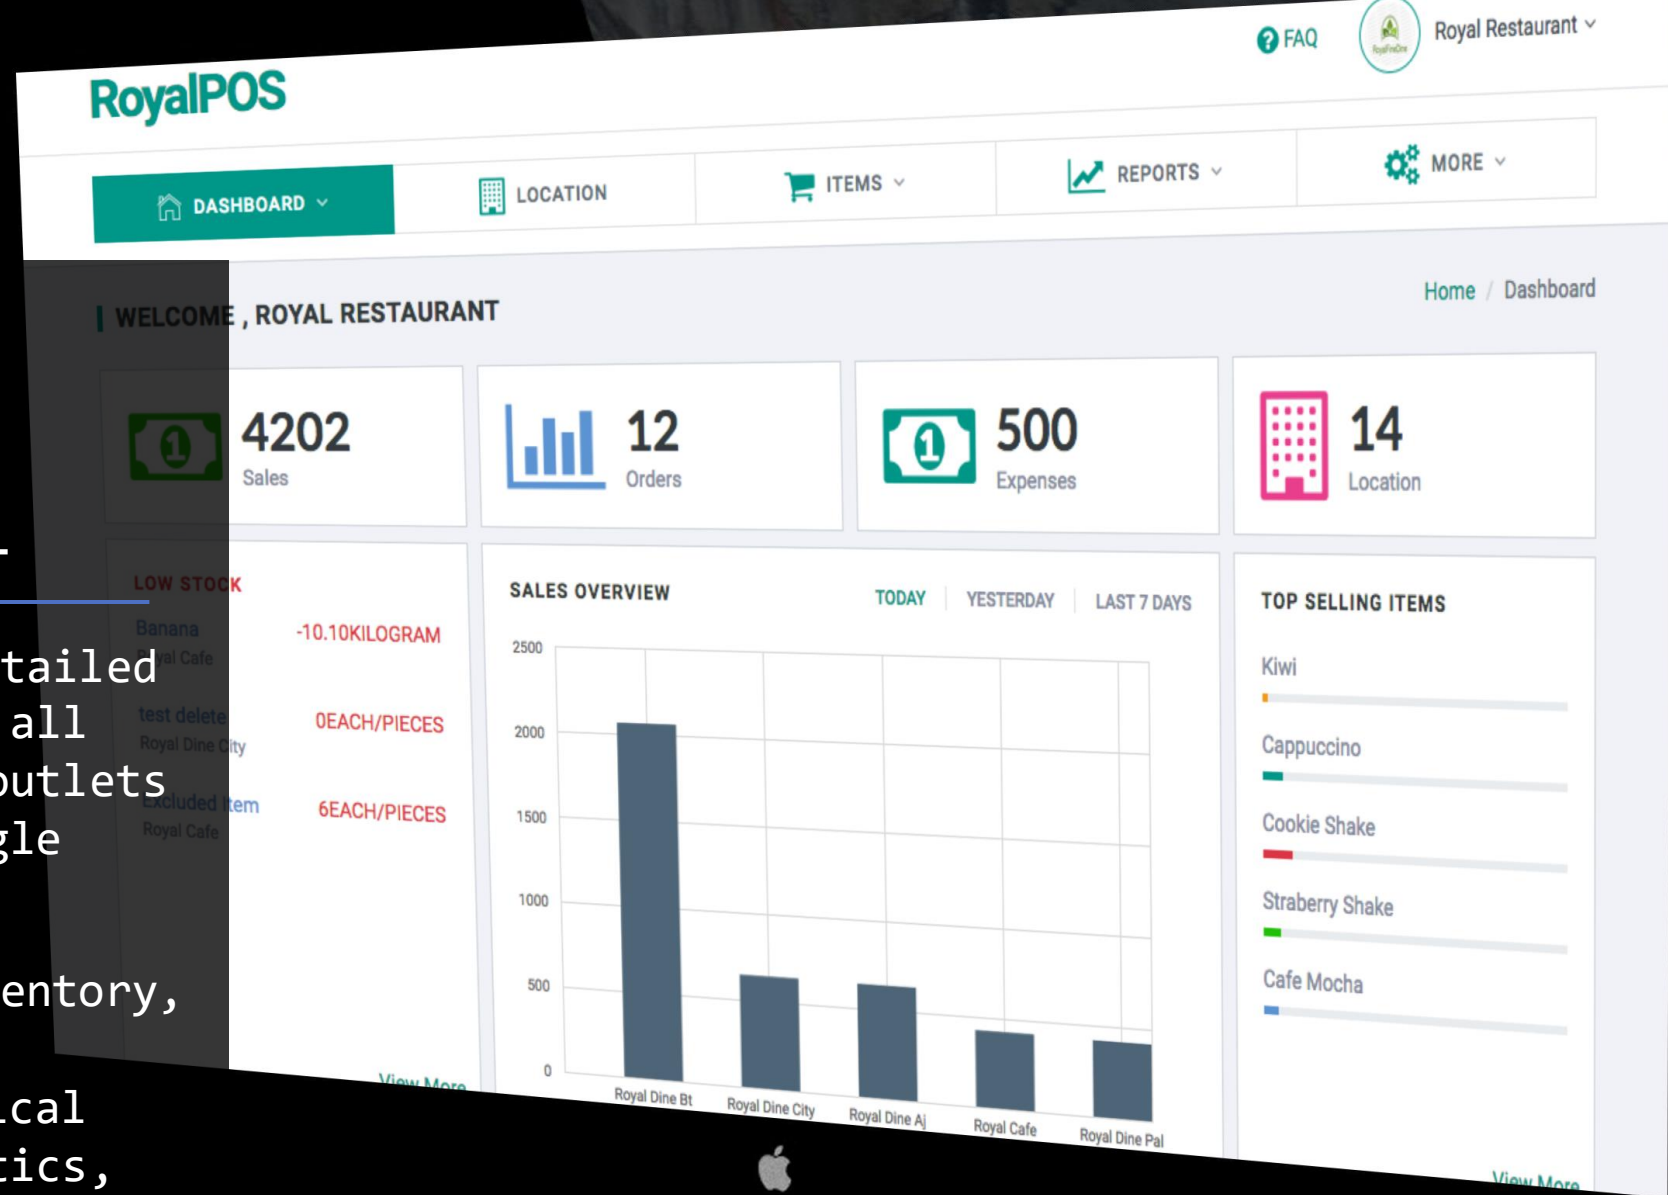

Perfectly Crafted Order Screen

- ✓ It takes few seconds to punch orders and generate print receipts
- ✓ Super easy to use and carefully curated keeping in account with all the POS requirements
- ✓ Seamlessly perfect for quick service restaurants, fine dine restaurants & all kinds of retail stores.

Web Based Backoffice Admin Portal

- ✓ Full control & detailed customization for all your locations / outlets convenient at single point!
- ✓ Manage taxes, inventory, recipe inventory, graphical reports and analytics, access sales data and so much more..

The image is a promotional graphic for RoyalPOS integration with food delivery apps. It features a background of various food dishes. In the top left, there is a white box with the RoyalPOS logo. To its right, the text 'RoyalPOS Integration with Leading Food Delivery Apps' is displayed in white. Below this, a white rounded rectangle contains the logos for Swiggy, Zomato, Uber Eats, and Foodpanda. To the right of these logos, a tablet displays the RoyalPOS app interface, showing a menu with items like 'Baked Maggi', 'Chicken Sandwich', and 'Maggi Masala'. At the bottom, a teal banner contains the text 'Get Your all Swiggy, Zomato, UberEats & FoodPanda Orders on RoyalPOS'.
